

SINGLE SIGN-ON (SSO) OPTIONS

Streamline Student and Teacher Registration

EVERFI® provides K–12 schools with a library of free courses addressing critical topics like financial education, workforce readiness, STEM, and health & wellness. The standards-aligned curriculum is delivered through EVERFI's learning platform with built-in assessments and automatic grading to save educators' time. EVERFI is a trusted solution for a network of 750,000+ educators seeking to deliver the essential knowledge and skills students need to thrive in an ever-changing world.

To streamline teacher and student registration, single sign-on (SSO) is available through **Clever** and **ClassLink** at no cost. By implementing an SSO integration, your district's teachers and students will be able to log into your Clever or ClassLink portal and navigate directly to EVERFI's digital platform and library of courses without having to create a new account or re-enter login information.
